

**REMARKS**

In the present Amendment, claims 4 and 6 have been amended to correct their dependencies, such that they no longer depend from now-cancelled claim 3. The amendment addresses the Examiner's §112 concern noted in the Advisory Action mailed May 7, 2007.

Claims 1-2 and 4-26 are pending. Allowance is respectfully requested, for the reasons set forth in the Rule 116 Amendment filed April 26, 2007.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
